Dear Friend,

Around the world, Samaritan’s Purse is reaching out to people hurting in hopeless situations – like this little girl, whose family fled the economic collapse in Venezuela and are desperately seeking a new life in Colombia.

Our teams help meet the needs of her family and countless others worldwide, providing essentials like food, shelter, clothing and medical care. But we don’t stop there.

In this catalogue, you and your family will find numerous meaningful ways you can offer practical help to people who are hurting and share the salvation found only in Christ, so they can also proclaim “Glory to God in the highest, and on earth peace, goodwill toward men!” (Luke 2:14).

Sincerely,

Franklin Graham
President

Care for Mothers and Babies

When Samaritan’s Purse met Aye (pictured below), her daughter was eating only rice mixed with water. The young mother, who lives with her family in a remote village in Myanmar, didn’t understand the importance of including other food groups in her child’s diet. As a result, the little girl was often sick and wasn’t growing properly. But with training from our team, Aye began preparing nutritious meals and making sure to wash her hands before cooking. It wasn’t long before her family’s health dramatically improved. Samaritan’s Purse is working to educate and care for mothers like Aye, teaching them about nutrition and hygiene, providing obstetric care, building birthing centres, and delivering supplemental food.

Samaritan’s Purse is working to stop human trafficking before it starts by educating people on safe migration and how to avoid abusive employers. Your gift will help protect families from trafficking, allowing them to live in peace.
